

## Red Sea liveaboards: M/Y Red Sea Adventurer...

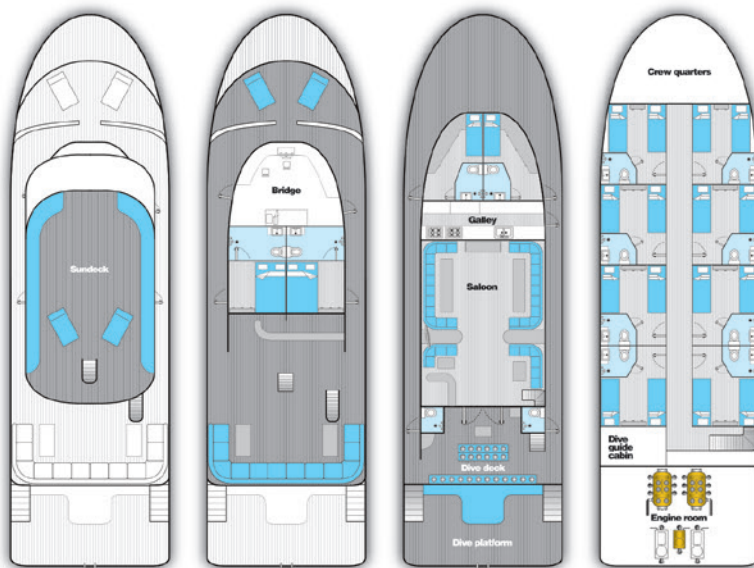

Fully refurbished in 2013, **M/Y Red Sea Adventurer** is a traditional style liveboard designed specifically for divers to make your diving holiday as relaxing and enjoyable as possible.

Offering outstanding value for money with a 5 star service, **M/Y Red Sea Adventurer** is a 32 metre vessel with 12 cabins divided on to three main decks. There are eight twin cabins, two double cabins and two single cabins providing comfortable accommodation for 22 guests, 24 in special circumstances. All cabins benefit from ensuite facilities, air conditioning and in cabin entertainment.

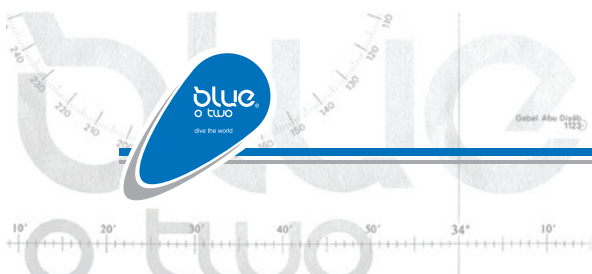

**M/Y Red Sea Adventurer** is equipped with a nitrox membrane, trimix blending panel, booster pump and can also cater for rebreather divers. The vessel is also photography friendly and meets all the demands placed on a modern day luxury motor yacht.
